bubbledogs

Located in Fitzrovia, bubbledogs was born in 2012 and is the brainchild from husband and wife team James Knappett and Sandia Chang. Unlike most Champagne bars, at bubbledogs you can explore exclusive grower Champagnes sourced directly from the producers and sink your teeth into a selection of American-style hot dogs with globally inspired toppings.

Bubbledogs is a totally unique experience, making it the ideal venue for a host of occasions ranging from birthday parties, team building, client entertaining, festive celebrations or simply a night out for a group of friends looking for a break from the norm - AKA party vibes...

THE MENU

Bubbledogs offers a menu of hot dogs served on traditional steamed buns, including classics such as, the BLT (bacon, lettuce & truffle mayo), Sloppy Joe (chilli & cheese), Mac Daddy (macaroni cheese & bacon bits), Breakie (fried egg & black pudding), New Yorker (sauerkraut & onions), and the Horny Dog (corn dog).

Prices start at £6 for hot dogs, with also a short selection of sides, including our famed tater tots and sweet potato fries.

We offer a variety of either beef, pork or vegetarian hot dogs and to top it off, the beef and pork hot dogs are also gluten free.

WE CAREFULLY SOURCE AND MAKE EVERYTHING
THAT GOES INTO OUR HOT DOGS

*Our toppings are handmade from scratch
using the freshest ingredients*

*Our buns are hand rolled and
baked fresh every day*

*Our sausages are handcrafted by our
butcher following our own recipe*

THE CHAMPAGNE

Bubbledogs offers a concise list of grower Champagne and sparkling wines, available by the glass and the bottle. Sandia personally selects the list and loves introducing lesser-known producers and regions to her award winning list on a regular basis.

Our Champagne menu is designed to help you choose the style of Champagne you want with headings such as “Toasty and nutty delights” and “So fresh and so clean clean” to help you identify your perfect Champagne.

Prices start from £6 per glass and £32 per bottle.
